

Sprint Plan #5

Game: Bejeweled

Group: 33

Priority	User Story	Task	Task assigned to	Estimated effort per task
A	As a user I would like to be able to play different game modes.	Time trial game mode	Responsible: Bart Collaborators: Thomas	4
		Menu for selecting game mode.	Responsible: Steven Collaborator: Thomas	2
B	As a developer, I want to deliver code that is well structured, according to two design patterns. This makes for better functioning of the system and a better overall understanding of the internal system.	Factory pattern	Responsible: Thomas Collaborator: Steven	2
		State pattern	Responsible: Ruben Collaborators: Wytze	2
C	As a student I want to reflect on what I have learned from this project.	Write reflection	Responsible: Wytze Collaborators: Bart, Ruben, Steven, Thomas	3
