Reflection on Sprint #5

Game: Bejeweled

Group: 33

User Story	Task	Task assigned to	Estimated effort	Actual effort (hours)	Done	Notes
As a user I would like to be able to play different game modes.	Time trial game mode	**Responsible:** Bart Collaborators: Thomas	4	8	Yes	
	Menu for selecting game mode.	**Responsible:** Steven Collaborator: Thomas	2	4	Yes	
As a developer, I want to deliver code that is well structured, according to two design patterns. This makes for better functioning of the system and a better overall understanding of the internal system.	Factory pattern	**Responsible:** Thomas Collaborator: Steven	2	3	Yes	
	State pattern	**Responsible:** Ruben Collaborators: Wytze	2	4	Yes	
As a student I want to reflect on what I have learned from this project.	Write reflection	**Responsible:** Wytze Collaborators: Bart, Ruben, Steven, Thomas	3	4	Yes	

Main problems encountered

None
